

PVC PIPE FRAMES

Materials Needed for Each Frame:

- (2) 7' Lengths of 1 1/4" PVC
- (1) 8' Length of 1 1/4" PVC
- (2) 90 deg. Elbows
- (2) 5' lengths of 5/8" Re-Bar
- Approx. 14 "Zip Ties" or "Cable Ties"

STEPS:

- 1) Cut Re-Bar & PVC to Length
- 2) Assemble & Glue PVC Frame
- 3) Drive Re-Bar into Ground
- 4) Attach Sign to PVC Frame w/ Zip Ties by cutting slit in plastic and looping zip tie around
- 5) Slide PVC Frame over Re-Bar

**** Note: Trial Fit 1 frame assembly before constructing all frames**
